Courses

Most of our treatments are available as courses of 6. Pay up front for 5 treatments and your 6th one is free. For larger purchases there are payment plans available, please speak to your therapist to find the best way for you.

Attending your appointment

As a courtesy to all our clients we run a prompt appointment schedule, please ensure you arrive in plenty of time otherwise we regret that your treatment may be shortened or cancelled but still charged in full.

Please respect that quiet treatments are often in progress and ensure you turn off your mobile phone whilst in the salon. We understand the difficulty in scheduling treatments around young children and would ask where possible you take advantage of our late night and Saturday appointments. Should you need to bring them with you we welcome quiet and well behaved children.

Cancellation policy

Please note that we require 24 hours' notice in the event that you need to reschedule your appointment, otherwise we regret that the appointment will be charged for. Appointments cancelled with less than 24 hours' notice will be charged at 50%. Appointments cancelled with less than 2 hours' notice and missed appointments will be charged at 100%.
